# Peppermint Flea & Tick Spray

## SAVE 20% OFF LIST!

Wondercide's natural flea, tick & mosquito control spray for pets + home is naturally formulated as a curiously effective, natural alternative to chemical pesticides for use on dogs, cats & home interiors. It's a preventative and treatment, all in one safe, effective spray. This spray kills pests like fleas and ticks by contact and prevents them from hitching a ride on your pet when you go on walks or to the park. It kills the insect life cycle: egg, larvae, and adults. Pets + Home also stops itching and scratching, comforts dry skin, and leaves pets' coats shiny. It does not stain pets, furniture or flooring. Now with "NEW" Peppermint scent!
